VIRTUALQUIZSHOW.EVENTBRITE.COM
Join us on September 13th to honor our Healthcare Heroes and celebrate World Patient Safety Day by playing our VIRTUAL QUIZ SHOW hosted by Brian Balthazar!

Gather with your friends and family around a smart TV or computer for the program and grab your phone to play trivia. It’s easy and fun, and you can play from anywhere!

**HOW IT WORKS**

There will be 6 rounds of 10 trivia questions:

- **You Got Game**
- **Are You Smarter Than a 4th Grader?**
- **May the Force Be With You**
- **Music to My Ears**
- **That's Entertainment**
- **Genius Round**

**PRIZES & GIVEAWAYS**

- **FIRST 5 ROUNDS** - $200 for 1st place and $100 for 2nd place!
- **GENIUS ROUND** - $1000 to the winner!
- **GIVEAWAYS** - Between rounds, we will have drawings for prizes like gift cards, merchandise, and MORE!

**HEALTHCARE HEROES**

Our Weezie's Angels Healthcare Heroes will be recognized throughout the evening for their extraordinary work in caring for patients.

OUR MISSION
Each year in the US, roughly 200,000 people die and another 2 million fall victims to preventable medical errors during their stay in the hospital. Preventable medical errors are the third leading cause of death in the United States, and they cost the healthcare system billions of dollars each year.

The Louise H. Batz Patient Safety Foundation was founded in May of 2009, ten days after Louise Batz lost her life to a preventable medical error. Since that day, we have gone on a life-changing journey from tragedy to hope! Our mission is to help families and patients to truly become a part of their healthcare team and reduce the number of preventable medical errors. Over the past 11 years, The Louise H. Batz Patient Safety Foundation has raised over $2.5 million for patient safety, published 10 unique “Batz Guides for Bedside Advocacy”, developed our Batz Patient Guide Apps, established the Batz Foundation Europe in Amsterdam, and shared Louise’s story across the United States, Canada, Europe and South America.

As we recognize World Patient Safety Day this year, we will continue to support our healthcare workers, make patients and families feel educated and empowered, and encourage all of us to work together as a team so that we can improve patient safety. During this COVID-19 pandemic, our work providing people and organizations with guidance and support is now more important than ever.

YOUR SUPPORT
The funds raised from our virtual Quiz Show will further our mission to create awareness of patient safety, both locally and internationally, and will support the following goals:

- Partner with healthcare providers for support during the Covid-19 pandemic
- Provide print and online resources to help patients and families navigate their healthcare experience
- Develop our Louise H. Batz Patient Safety and Education Center of Texas
- Expand our Community Health EMPOWER program aimed to help low-income families
- Develop our Rosie’s Healing Art Project initiative
